### **Who can register?**

Anyone can register to challenge the BeautyCouncil Certificate of Qualification in Barbering Exam, provided you have completed 400 school hours or 1,000 work experience hours in the trade of Barbering.

Work experience is not required if you are a graduate of a school listed with the BC Private Training Institutions Branch (PTIB) at the time of your graduation. All other registrants are welcome to challenge the exam, provided you have completed school or work hours above. By registering online to take the exam, you are attesting to having completed these hours. You will upload your paperwork (or diploma) confirming your hours of schooling or experience after you register.

The reference textbook is Milady Standard Barbering textbook.

### **Exam cost (price includes GST)**

- \$200 for BeautyCouncil Members
- \$300 for non-members

Registrants who do not pass the exam may apply to retake failed portion(s) of the exam (theory, practical, or both) within 2 years (no limit on the number of retakes). Retakes are \$125 for members and \$150 for non-members (includes GST). A pass requires a score of 70% or higher.

The exam takes place in a single day as outlined in the exam date registration page. There are two parts to the exam and both are at the venue listed in your confirmation email:

This exam usually requires approximately 3 hours to complete. An examiner will oversee your work and score your work as you complete it. You must score a minimum of 70% to pass this exam.
